## We Are Hiring Future Leaders

[www.euronext.com](http://www.euronext.com)

### EURONEXT SOLUTIONS

#### Graduate Trainee Engineer

Euronext Solutions provides trusted and reliable Technology, Business Consulting, and Operational capabilities, in addition, to finance and HR services. Together we are shaping capital markets for future generations

- A Pan – European market infrastructure with a deep corporate culture.
- A truly diverse multicultural organization with passionate and delivery-focussed people.
- We operate seven regulated exchanges in Belgium, France, Ireland, Italy, Netherlands, Norway and Portugal with a single trading technology offering access to all financial instruments across our markets.
- We also provide custody and settlement services through central securities depositories in Denmark, Italy, Norway and Portugal, and clearing through our CCP in Italy.
- We operate Europe's leading electronic fixed income trading markets and the largest centre for debt and funds listings in the world.
- We also offer a range of additional value-added services, including technology and managed services, corporate and investor services and post-trade services.

*We are looking for passionate individuals with enthusiasm to solve problems, self-motivated professionals for whom good is simply not good enough.*

#### Mode of Operations:

- Work from office (Tues, Wed, Thurs)
- Work from home (Mon, Fri).
- Weekly off (Sat, Sun)
