Department of Training & Placement

SAMSUNG

ISWDP-Samsung Fellowship Program

Application Deadline: May 3, 2026

India Semiconductor Workforce Development Program (ISWDP), run by the Indian Institute of Science (IISc) Bangalore, in collaboration with **Synopsys Inc., USA, and Samsung Semiconductor India Research (SSIR)**.

The live virtual program comprises four levels, i.e., **Level 1, Level 2, Advance, and Custom**.

Note that the minimum qualification to apply for the fellowship is completion of at least the 2nd year of B.Tech.

How to enroll?

Samsung Fellowship: Students can fill up the Google Form: <https://forms.gle/EzsuxnKtWCnbjGG86> by May 3, 2026, 5 PM, to register through the **Samsung Fellowship**.

More details of which can be found here: <https://iisc-iswdp.org/scholarship.php>.

We encourage students to register through this route.

Direct Registration: Alternatively, students can simply click on this link for direct registration:

<https://iswdp.registeryourseat.in/index.php>.

Please note that the slots in each cohort are limited, so prompt action is advisable.
