Between

(1) BM College of Pharmacy, Farukhnagar, Gurugram

And

(2) Medicamen Biotech Ltd RIICO Industrial Area, Bhiwadi, Rajasthan

This MOU sets for the terms and understanding between the BM College of Pharmacy (BMCP) and Medicamen Biotech Ltd.

### **Background**

BM College of Pharmacy (BMCP) is a part of BM group of Institutions (BMGI) managed by Mata Kaushalya Devi Charitable Trust, Gurgaon under the encouraging patronage of prominent educationists of Gurgaon region of Haryana. The trust aims at providing quality education at affordable fee along with preparing the young minds to face the competitive world on all fronts. The lush green campus, spread over 13 acres, is situated near Farrukhnagar. The campus offers a host of hi-tech ultra modern facilities to ensure well planned education to its students.

BM College of Pharmacy (BMCP) aims at nurturing young minds & shaping future healthcare professionals. The group has been successfully preparing teams of young scholars who are highly enthusiastic and ready to meet the needs of the hour. They adapt themselves to the laboratories, clinics, and corporate environments of the healthcare sector, making them better suited for the health industry.

With the objective of further enhancing the technical and managerial competencies of pharmacy students and enabling them to excel in both the corporate world and personal development, BMCP has decided to collaborate with leading Pharmaceutical industries in order to build Pharmacists as per the expectations of industry.

### **Purpose of MOU**

1. To enhance the employability of students and make them better suited for organizational requirements and placement opportunities.
2. To provide industrial training and internship opportunities to students as advised by PCI/HSBTE/BDSU.
3. Placement of students in industries shall be subject to the availability of vacancies and the willingness of the organization. The selection and placement of students will remain the sole discretion of the organization.
